Mushie Baby Balm – About the product

Mushie's Baby Balm made from natural ingredients is an all-purpose balm that will help soothe and heal your baby's sensitive skin. The balm is ideal to treat sore and wind-chapped skin etc.

Mushie Baby Balm details:

- Contains 100 ml
- 100% Vegan
- 99% Natural ingredients
- Fragrance-free
- Suitable for ages 0+
- Made in Denmark

Certifications:

How to use the Baby Balm:

Apply the desired amount on concentrated, dry spots to create a protective barrier. Reapply as needed. For external use only. Avoid contact with eyes.

Special ingredients to highlight:

- Hydrogenerated Vegetable Oil: vegetable wax with a high melting point that provides viscosity.
- Olus Oil, Citric Acid: A mild vegetable oil that provides moisture and suppleness to skin.
- Almond Oil: Softens the skin, adds moisture and flexibility and enhances the skin's natural elasticity. The oil contains vitamin A, E, B1, B2, and B6.
- Vitamin E: A fat-soluble vitamin that protects the oils and fats from oxidation and from turning rancid.
- Rapeseed Oil: An effective oil with a high content of natural vitamin E, which protects against free radicals. The oil is a good protector for the skin and hair, against external pollution.
